NORTH SHORE HIGH SCHOOL

GLEN HEAD, NEW YORK

Mr. George Osborn

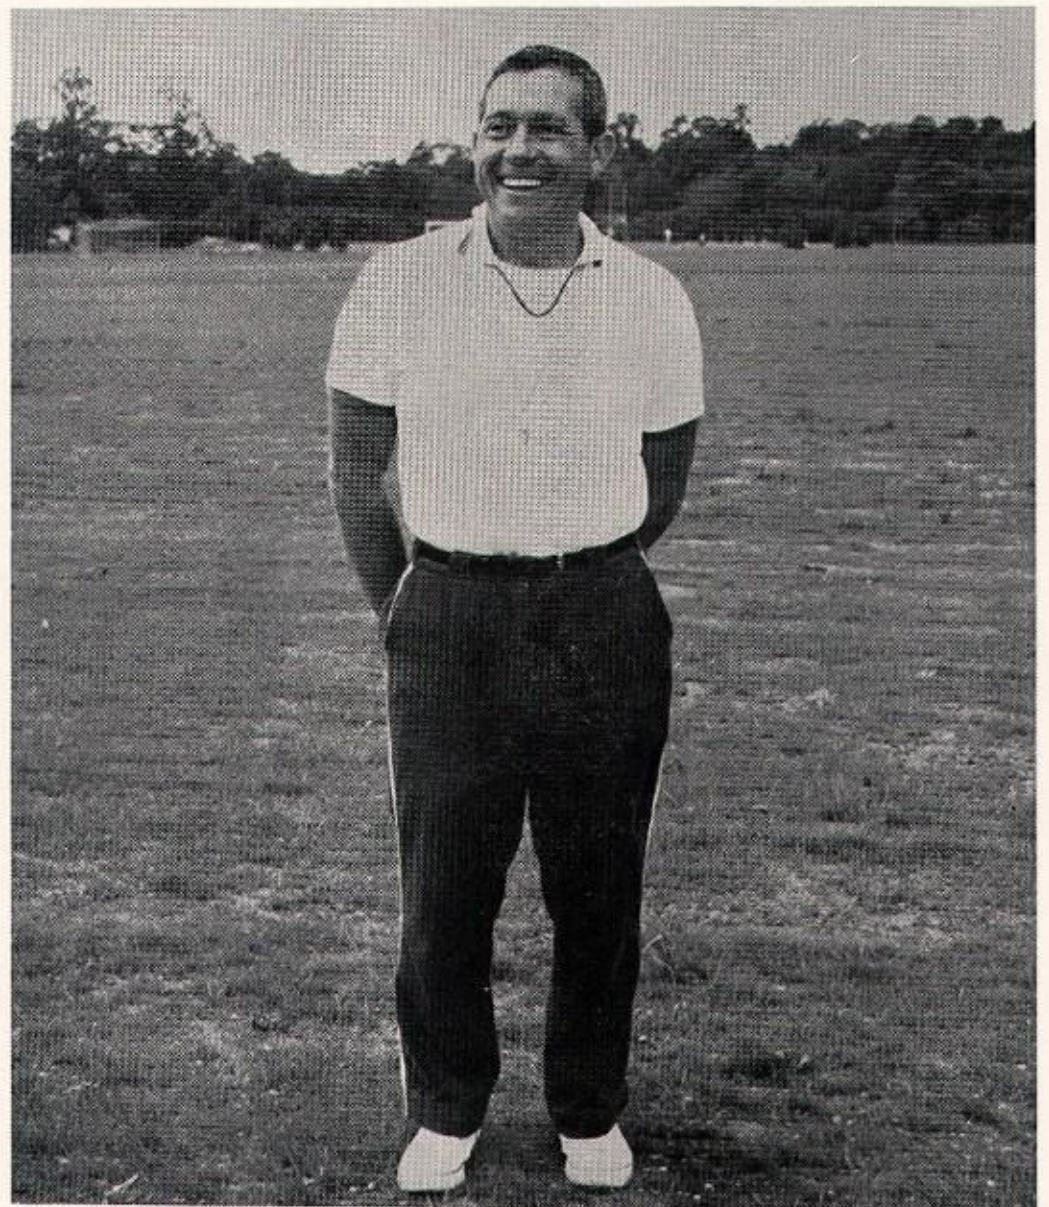

DEDICATION

Two faculty members have so impressed the Senior Class that we could not honor one without the other. This year, therefore, the class of 1959 has the privilege of breaking precedent and dedicating its yearbook to

MR. GEORGE OSBORN, for his constant efforts in guiding us toward clearer thought and broader perspective, and to

MR. SAMUEL C. SCHIFFER, for the incentive and self discipline which he has good-naturedly inspired in us.

Together, they have contributed the understanding and patient guidance which have shaped our growth at North Shore High School.

Mr. Samuel C. Schiffer

FOREWORD

This is the first full year in our newly completed building. Emerging from the dust of construction are Vy and Kyng, our Norse mascots. They have agreed to act as guides on a tour of inspection through North Shore High School. Won't you join us?

A SCHOOL WAS BORN

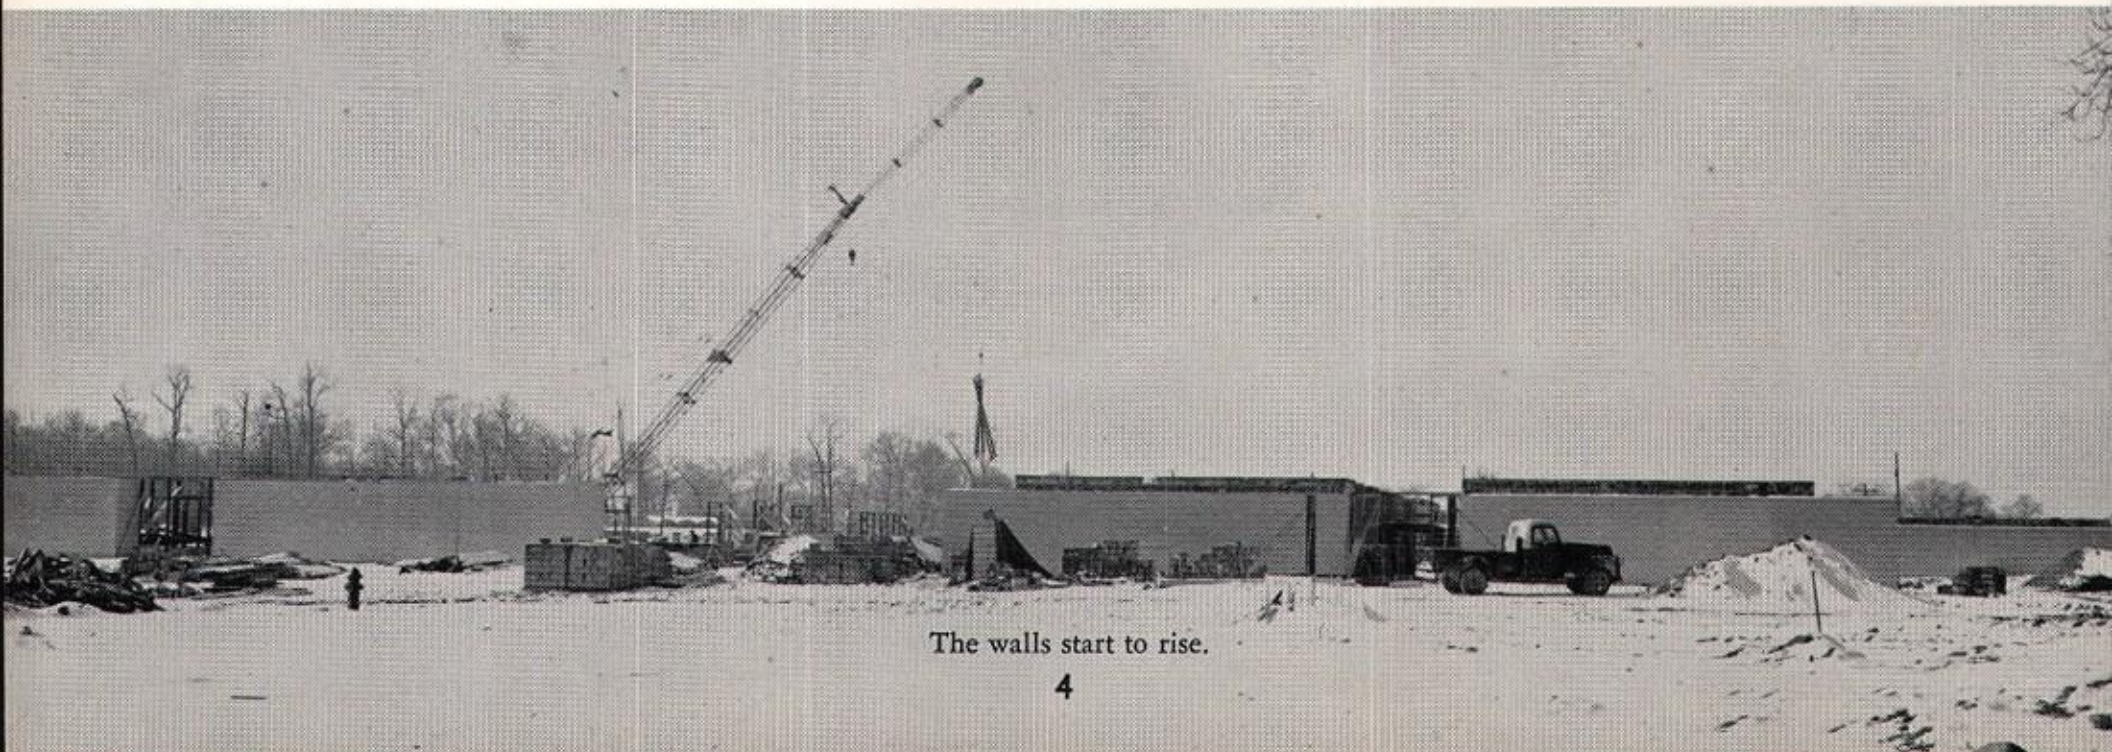

Clearing the site.

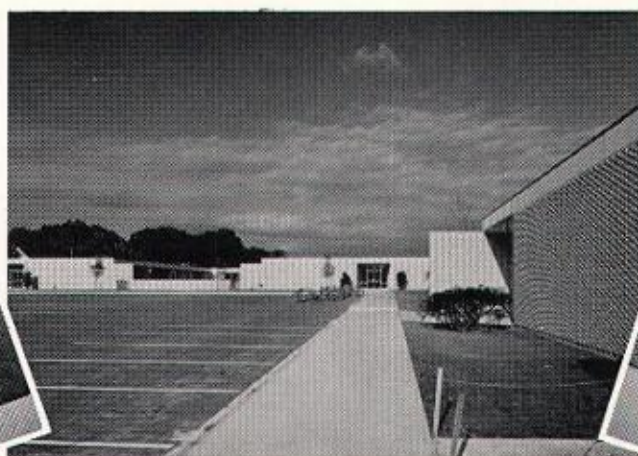

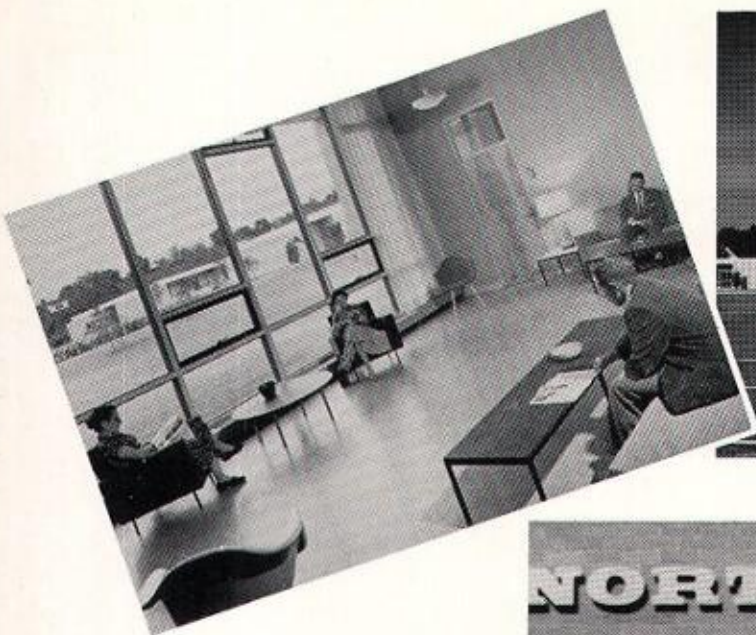

Charles Hartman speaking at the groundbreaking ceremonies.

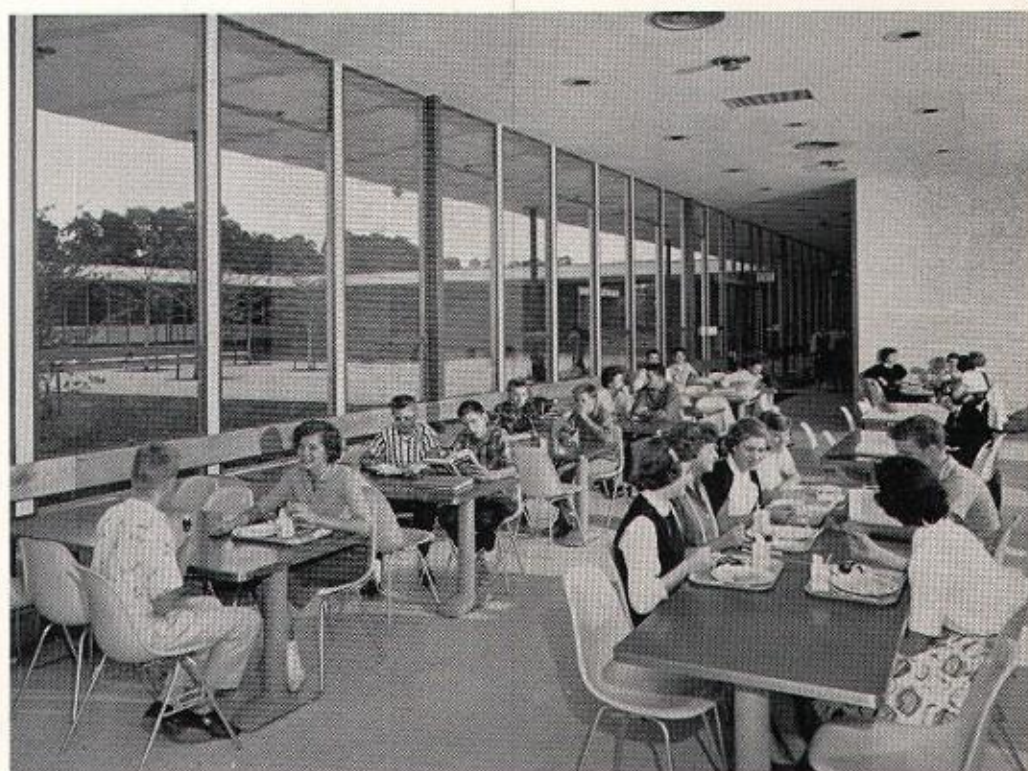

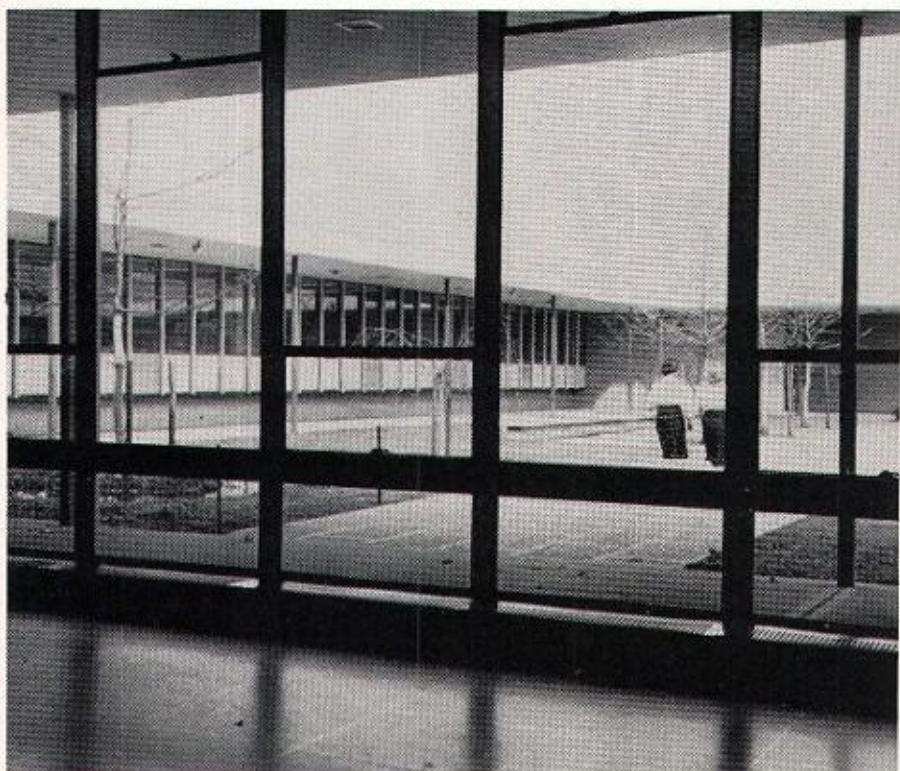

One short year ago, where North Shore High School stands today, a scene of frenzied activity was taking place—a school was being built. Now the last overall-clad workman has departed. The drab concrete has put on a brilliant mosaic tile face; the oozing mud has sprouted a carpet of grass. And finally, North Shore's faculty and student body took up permanent residence. A SCHOOL WAS BORN.

The walls start to rise.

"But on the other hand, the Yankees have got Mickey Mantle!"

ADMINISTRATION**

MR. F. REMINGTON FURLONG
Superintendent of Schools

MR. F. REMINGTON FURLONG

When centralization became effective in 1953, Mr. F. Remington Furlong was appointed by the Board of Education as Supervising Principal of North Shore Schools. This year he was named Superintendent of Schools.

Lincolnesque in stature and manner, he has helped to mold the personality of North Shore High School and to create in it a favorable atmosphere for learning.

Working with Mr. Furlong by setting the policy under which our schools operate is the Board of Education and its staff. Board members, elected by residents of the school district, give unstintingly of their time in wrestling with the many problems associated with running our schools.

Class of 1959:

As you leave North Shore behind you and travel in your individual pursuits, we stand watching and hopeful that success and happiness follows with you wherever you may be. Your contributions have made their mark here and we are the richer in many ways because you have been here with us. Think back to us now and again and again for it was here that you set many roots for learning, feeling and understanding; give to your futures all that is within you but cause your fellow man no hurt nor sorrow. Include in your goals desires to make this world a better one, and in so doing let not self be in your way.

ACTIVITIES

STUDENT COUNCIL

This year's Student Council has been highly instrumental in the maintenance of good relations between the student body and the administration. With the valuable guidance of Mr. Dillenbeck and Mr. Parker, the Council has been able to enlarge both the G. O. program and the Student Store. Among its many activities, the Council can also list dances, a revision of the constitution, and plans for a future student exchange program.

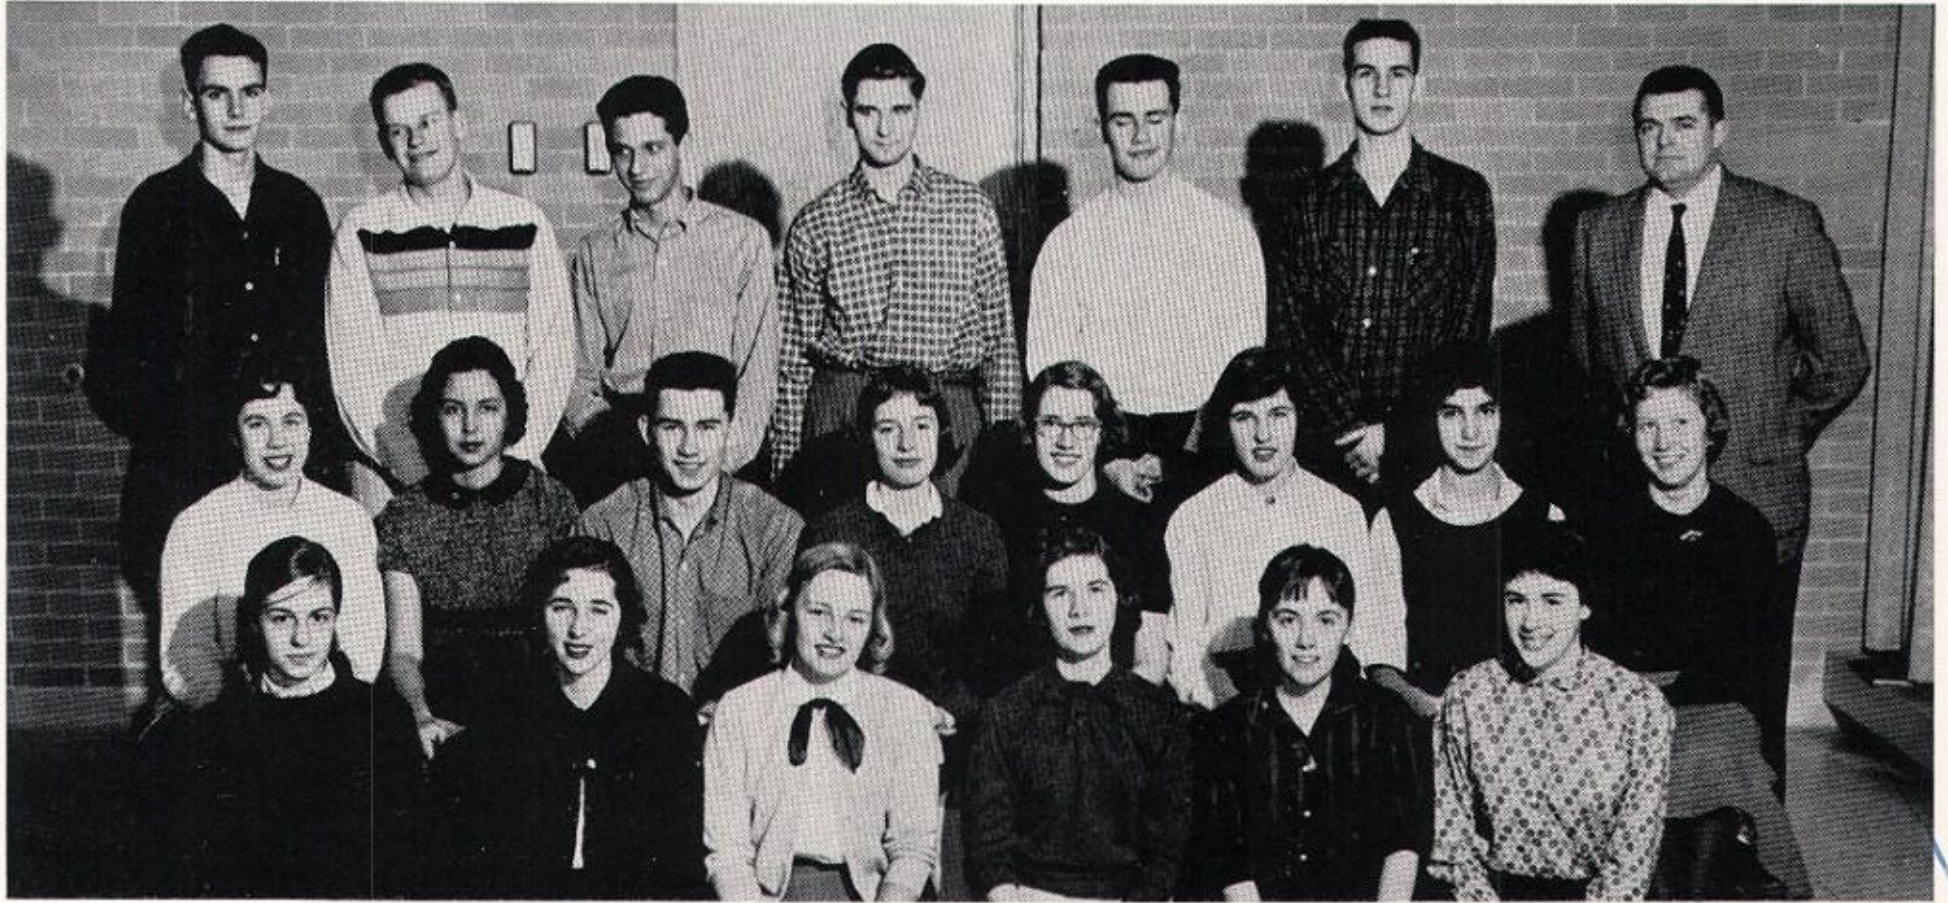

STUDENT COUNCIL OFFICERS: Charles Hartman, Vice President; Diane Koloski, Secretary; Richard Reed, President; David Malkin, Treasurer.

NATIONAL HONOR SOCIETY

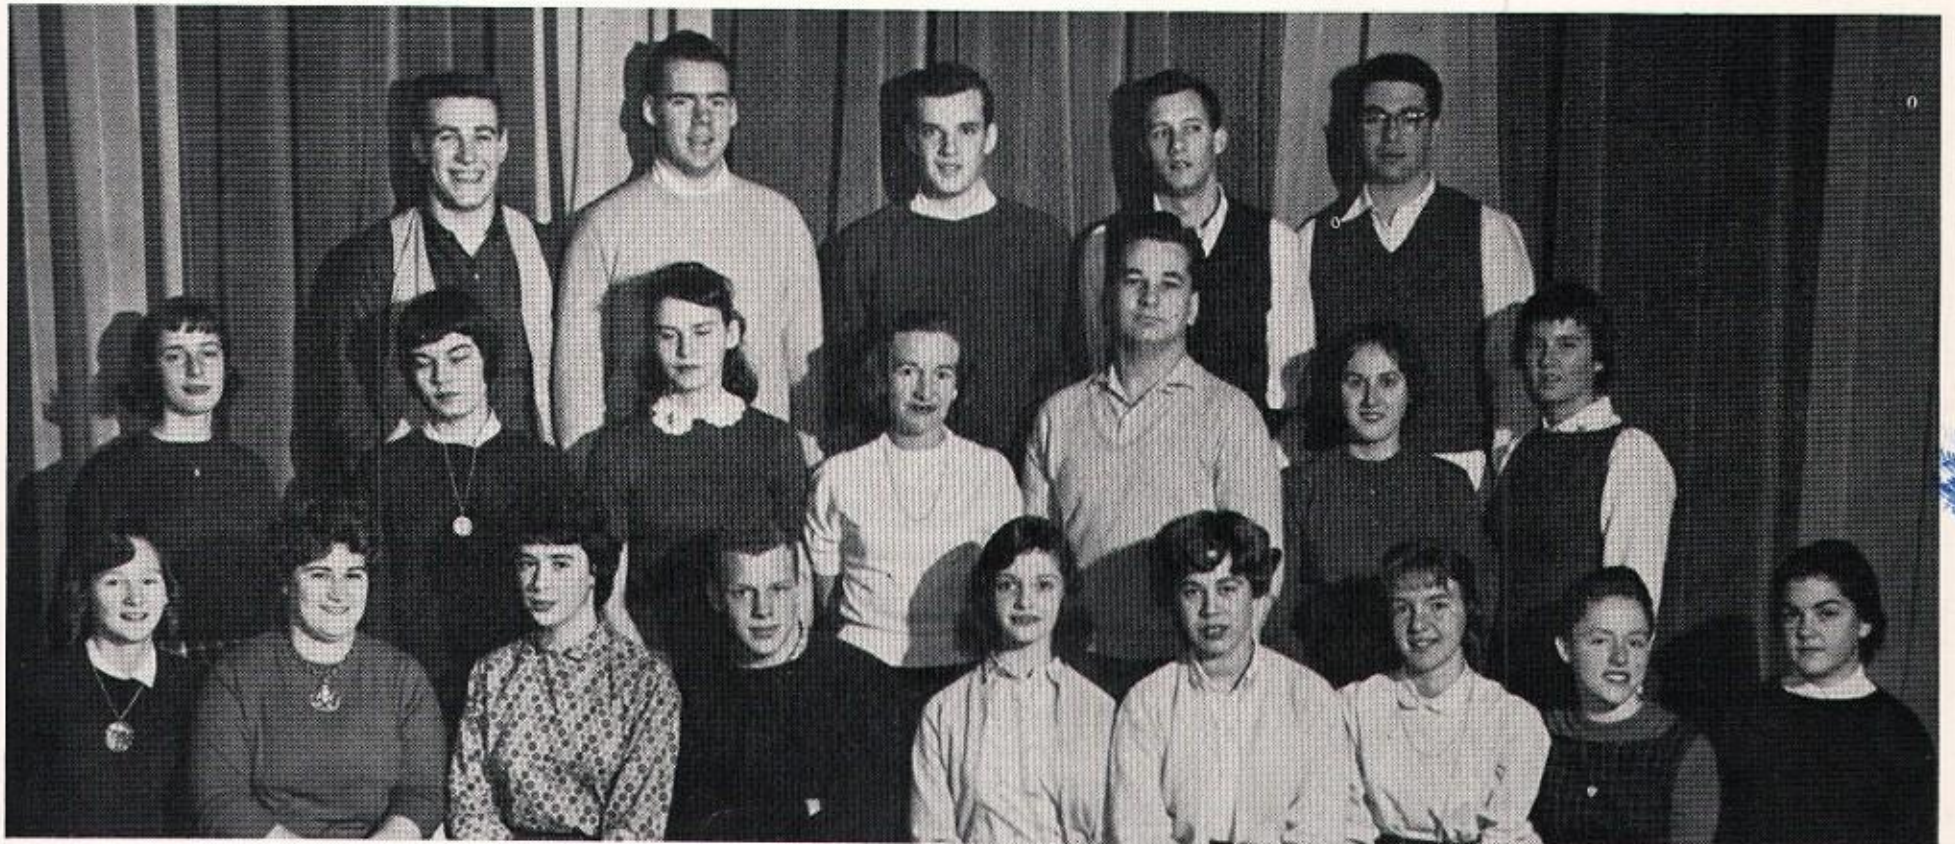

This year saw the formation of the Promethean Chapter of the National Honor Society. The students who were selected on a basis of character, scholarship, leadership, and service, were formally initiated and awarded a distinctive pin. Although the meetings were held at the unscholarly hour of 7:30 a.m., the society managed to sponsor several school projects and a series of public lectures.

NATIONAL THESPIANS

North Shore High School became Troupe No. 1865 of the National Thespian Society in 1958. Under the direction of Mrs. McNamara, the Thespians have brought several plays to North Shore's boards this year. The new troupe has grown fast, for as each play is produced, new members are added according to the society's point system.

Dear Sue - Another year has gone by... it sure went fast. You know that without you I might never have made it. I am sure sorry to see you go... maybe we can go into the city before you leave or something. The times you have vacations or whatever in Alaska you are invited to come & visit us poor Long Islanders. We would be glad to have you. I know you'll be a real success in Alaska so I needn't wish you good luck --- you have plenty. Always Marys

The school newspaper, the *Viking View*, guided by Mr. Ross, the faculty sponsor, has completed its second successful year of publication. Twice monthly, an energetic senior high staff presented an enlightening and entertaining combination of news and features to the school and community.

Editors Cynthia Edelstein and Diane duBois heatedly discuss layout for the coming issue as Roger Salloch looks on.

Viking View editors interpret "Knight'n'date," the gossip column, for an uninitiated faculty sponsor.

The club members saw films, listened to guest speakers and sang native Spanish songs. Occasional trips to Spanish museums and restaurants in New York were planned throughout the year.

LATIN CLUB

This year the Latin Club augmented its program with several new activities. Club members participated in the traditional Saturnalia celebration and the Roman Banquet, complete with togas and sandals. In addition they helped to balance the club's budget by selling hundreds of balloons at the North Shore Carnival. But the most memorable event of the year was the club's debut on the classical stage with the presentation of "Twilight of the Gods," a play about morality among the immortals.

DEBATING CLUB

Dr. Hartman listens patiently as a mumble of voices fills the room. Gradually the hubbub dies down and four brave people prepare to begin their debate on a topic they helped to choose. This is the Debating Club, which meets on the second and fourth Thursdays of the month. Its aim is to give the student practical experience in the art of debating. While these aims are often cast aside for the sake of open discussion, the meetings are always stimulating.

ADVANCED CHEMISTRY

Equipped with their lab goggles, notebooks, and Bunsen burners, a group of junior scientists qualitatively analyzed anything within their grasp. The Advanced Chemistry class met twice weekly under the direction of Mr. Weisman. The work, divided between regular class instruction and laboratory exercises, gave students the chance for more concentrated study in the field of organic chemistry.

Mr. Schiffer briefs the starting lineup before the Westbury game.

Hard work and reinforcements from last year's J.V. team made the varsity team a real threat in its league this year. Under the capable leadership of Mr. Schiffer, and because of the unusual depth which the squad had, the ball club made an impressive showing on the courts all season long.

KNEELING: T. Wiltbank, J. Zurer, C. Yonov. STANDING: R. Fox, P. Frost, P. Rose, P. Flink, H. Gilson, P. Hallberg, J. Boroski, D. Glenn, J. Trimble, C. Hartman, B. Watrous, D. Siegel, L. Portaro, R. Birchall, Mr. Samuel Schiffer, coach.

BOWLING

KNEELING: Ted Berry, John McAuliffe, Chuck Myles, George Mitschang. STANDING: Roger Buckhout, Richard Reed, Daniel Olsen, Mr. John Henderson, coach; Charles Taylor, Lester Lipschutz, Barry Koch.

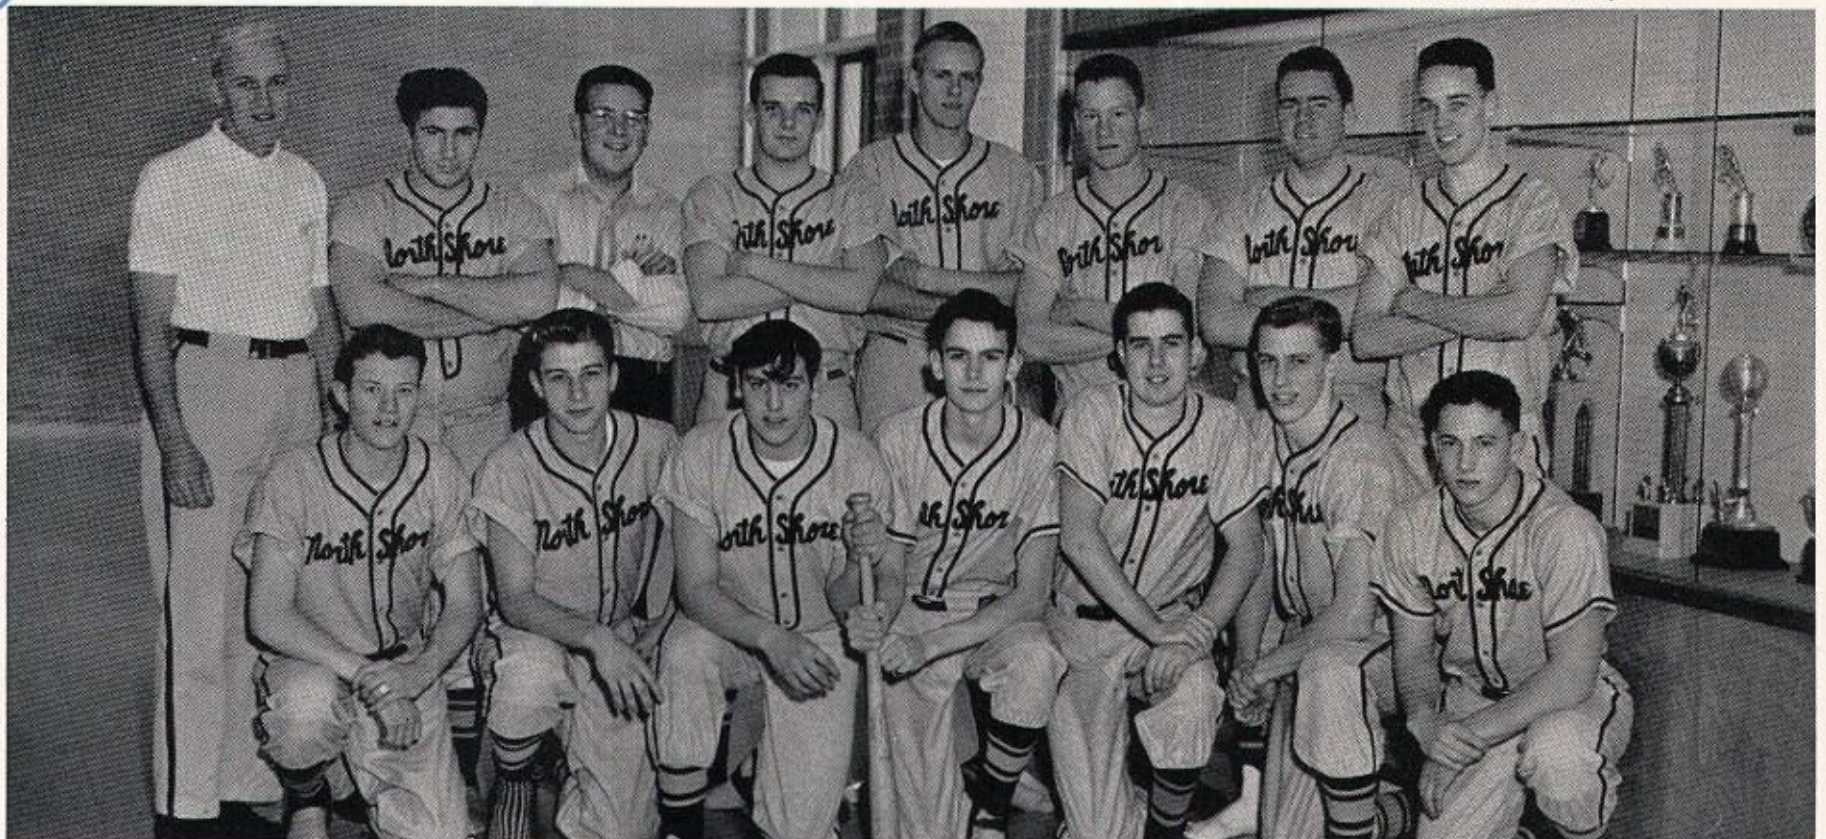

Racking up an impressive number of strikes and spares throughout the season, the bowling team rolled through the winter under the guidance of Mr. Henderson to finish well up among the competing schools in the league.

Chuck Myles sends the ball spinning down the alley.

BASEBALL

When the umpire called "play ball" this year, North Shore fielded a team composed of 10 returning lettermen. With a strong nucleus to work with, Coach Ray Conlin felt that the boys gave good accounts of themselves because of hard work, keen interest in the game, and sound fundamentals. Good pitching and a lot more hitting were the keys to the successful season.

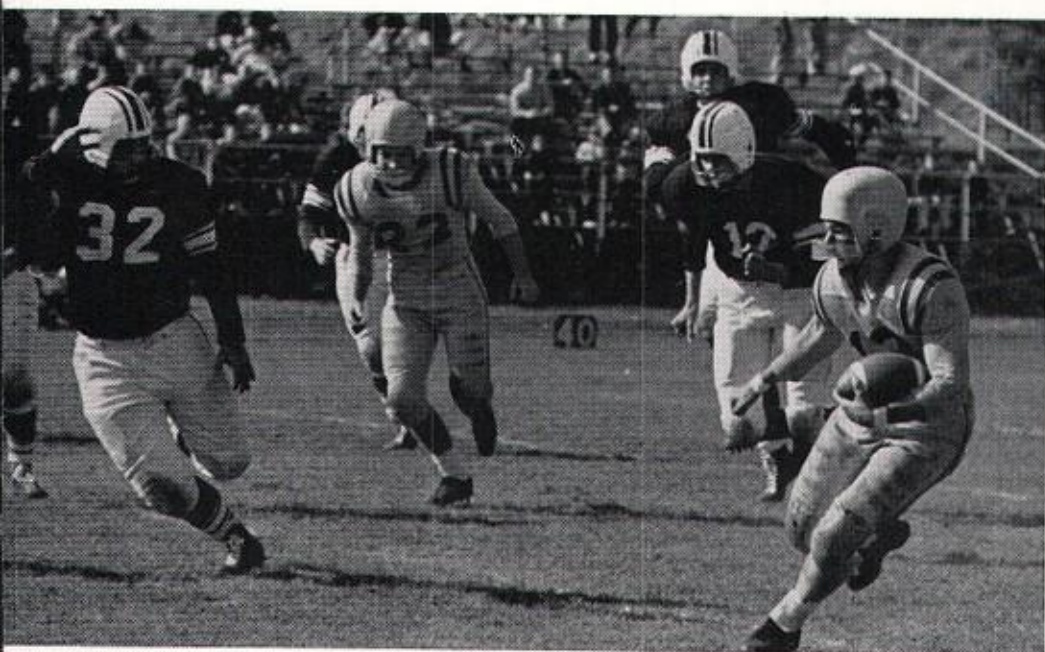

KNEELING: W. Barrows, R. Birchall, L. Portaro, R. Reed, R. Gompers, L. Doughty, B. Williams. STANDING: Mr. Ray Conlin, coach; F. Portaro, J. Zurer, manager; C. Hartman, D. Glenn, P. Rose, S. McKinley, P. Halberg.
